# SPETTRO COMPLETE EYEWEAR PROGRAM

## A Spectrum of Options for Your Patients

The **Spetro Complete Eyewear Program** allows you to provide your patients easier access to great eyewear, and is only available to independent eyecare professionals. It offers **great value at a great price, without compromises in performance or care.**

The program consists of **single vision, specialty lenses and progressives** in different performance tiers, in combination with fashionable premium frames.

We have created **two different preselect frame bundles for you**, with 9 or 18 frame styles in 2 different colors.
